COMMENTS FROM THE TOWN MANAGER'S OFFICE

The Budget Committee spent a busy evening in going over the 1957 Budget again Feb. 12. After an explanation of the school needs by Mr. Christie, superintendent, and Howard Cole of the Committee, an increase of \$3,500.00 or a new amount of \$83,000.00 was suggested by the Budget Committee for 1957 school needs. This is the only major increase suggested.

A suggestion of the Town buying the Thurston field (now adjoining the town garage) at the price of \$300.00 was made. For quite some time the Town has used part of this field for sand storage as well as the driveway on the easterly side of the garage through Mr. Thurston's good nature.

The residents of West Bethel seem to be facing quite a problem in regard to disposal of sewage in their area. It is understood that there is good reason to believe the present water supply some are now using will be stopped before too long. They then will be in something of a spot to find enough room for wells. If they continue to use private septic tanks on a small house lot, we have a school house to consider there also.

One hearing has been held, and some additional steps to get information have been taken. You will have an opportunity to consider this situation to some extent at Town meeting.

Thanks,
O. T. Rozelle

MRS. WINFIELD S. NOYES

Mrs. Maud S. Noyes, wife of Winfield H. Noyes, died at her home in Bryant Pond Saturday, Feb. 9, after a long illness.

She was born at Woodstock, Nov. 4, 1882, the daughter of George E. and Ida Dow Stevens. She graduated from Shaw's Business College and worked at Portland as a stenographer for a time. She was married in 1911, and she and her husband lived in Woodstock after wards; first on a farm, and later in the home which they built at Bryant Pond. She was employed by the Stowell Silk Spool Company for many years. She was formerly a member of Franklin Grange.

She is survived by her husband, by a son, Earl, Bryant Pond, and by two granddaughters.

Private funeral services were held at the I. W. Andrews funeral home, South Woodstock, Tuesday afternoon, with Rev. Donald Hinckley, West Paris, officiating. Entombment was at Lakeside Cemetery. Out-of-town relatives attending included H. Otis Noyes, Plattburgh, N. Y.; Mrs. Grace Emery, Mrs. Adelaide Gerrish, Mr. and Mrs. Howard N. Emery and daughter, Alicia; Donald Emery, Mr. and Mrs. Otis Evans, all of Portland; Mr. and Mrs. Gwynn Brooks, Yarmouth; Mrs. Lillian Leach, West Scarborough; Mr. and Mrs. Edwin Brooks, Island Pond; Mr. and Mrs. Albert Brooks, Laconia, N. H.; Mr. and Mrs. Alva Noyes and daughter, Lovis, North Jay; Mr. and Mrs. Haynes Noyes, South Waterford; and Mrs. Lucy Morse, South Waterford.

Mrs. Noyes was a devoted wife and mother, a loyal friend and a good neighbor. Always interested in the welfare of the community and especially of the library, she faithfully and efficiently repaired books as long as her health permitted. She was one of those gentle souls, who could truthfully say at the end of a long period of falling health, "I have fought the good fight, I have kept the faith."

"She cannot be where God is not. On any sea or shore, wherever he leads, they love abide. Our God, forevermore."

CUB SCOUTS BLUE AND GOLD BANQUET HELD LAST FRIDAY

The annual Blue and Gold banquet of Cub Scout Pack 105 in observance of National Boy Scout Week was held Friday night in the West Paris Congregational Church dining room. The supper was served by members of the Women's Fellowship, the sponsoring organization, presented the pack charter to Edmond Vachon, chairman of the troop committee, who, in turn, presented it to Cubmaster George Taylor.

Den mothers and the treasurer of the pack were presented corsages and the Cubmaster, a boutonniere. A period of games was enjoyed with games for the fathers, mothers, and the Cubs. Cubmaster Taylor presented awards to the Cubs as follows: Jack Brooks, wolf badge and gold arrow point; Larry Billings, wolf badge; Michael Tibbets, wolf badge, gold arrow point, and one year service pin; Paul Vachon, bear badge, one year service pin, and one silver arrow point; Bruce Taylor, lion badge, two year service pin; William Keosauke, one gold arrow point and one silver arrow point; Robert Saunders, two silver arrow points.

James Davis, Matthew Brooks, Roger Cook, Daniel Davis, Burnham Rice, and David Brown each received a one-year service pin. New members joining the Pack and receiving Bobcat Pins were Warren Tibbets, Allan Walker, Edwin Sloan Jr., Michael Hutchins, Clayton Rice, Stephen Hale, Raymond Saunders, Terry Gordon, Gene Tebbets. The theme for next month will be "Indian Trails."

Each den will present a skit of Indian songs and dances at the Pack meeting on March 23.

There were several donations for the supper which were very much appreciated. Harold Bennett of Riverside Farms furnished all the chocolate milk. Fred Grover gave the butter, and through Bryant's Market the individual loaves of bread from Nissen's were obtained.

RODNEY BARTLETT NAMED ASSISTANT PRINCIPAL BANGOR HIGH SCHOOL

Rodney H. Bartlett of Blue Hill has been appointed assistant principal of Bangor High School, to succeed John Parker, who is now principal of Mattanawcook Academy at Lincoln.

Mr. Bartlett was born in Bethel, the son of Mrs. Winifred Bartlett and the late Landon U. Bartlett. He graduated from Gould Academy in 1923. He received his B. S. from Illinois College and did advanced work at the University of Maine, Harvard University, and the University of New Hampshire. He was principal of the George Stevens Academy at Blue Hill for several years.

Mr. Bartlett is married to the former Hulda Hinckley of Blue Hill.

FREDERICK L. JORDAN Word has been received of the death of Frederick L. Jordan, a native of Bethel, at Fort San Tobo in the Sanatorium, Saskatoon, Canada, on February 5, 1957.

Mr. Jordan was born on Dec. 10, 1870, in Bethel, April 14, 1870, the son of Richard and Mary Brown Jordan, being the seventh child of that union. He went to Western Canada fifty-two years ago and took up a homestead in the wheat growing country where he remained until he decided to retire because of ill health several years ago.

He has been home twice. The last trip home was made five years ago.

Surviving are several nieces and nephews, among whom are Mrs. Bertha Flanders, and Axel and Orlando Jordan, of Locke's Mills.

NORWAY HOSPITAL TO BENEFIT BY C. M. G. COOPERATION

The Trustees of Stephens Memorial Hospital are pleased to announce arrangements now completed with Central Maine General Hospital with regard to cooperation in the laboratory and radiology departments of the two hospitals, undergirding the services which will be available in Norway.

Recently, at a conference held in Norway, Mr. Frank S. Hoy, President of the Central Maine General Hospital Corporation, and Mr. Dana S. Thompson, Executive Director, met with Mrs. Harold D. Sargent, Mrs. Edna B. Pomeroy, Dr. Delbert M. Stewart, and Dr. Chesley W. Nelson of the Stephens Memorial Hospital to discuss over-all policy.

Dr. Charles F. Branch, Director of the Central Maine General Hospital Department of Pathology, has agreed to serve as Laboratory Consultant at the Stephens Memorial Hospital and will advise on the details of operation of the Laboratory.

Dr. Clark F. Miller, Director of the Department of Radiology at the Central Maine General Hospital, will serve as Consultant in Radiology at the Stephens Memorial Hospital, coming to Norway one day each week in that capacity.

Because of the proximity of Norway and Lewiston, and the fact that a high percentage of central Oxford County's hospital needs have been previously met through the highly-regarded facilities at the Central Maine General, it is most reassuring to the citizens of the area to know that the skills, knowledge, and equipment available in this regional hospital can be drawn upon as needed.

In addition to cooperation in the laboratory and radiology departments, the Lewiston hospital heads have offered full use of all Central Maine General Hospital facilities in any way which can augment the services rendered by Stephens Memorial Hospital to its patients. Assistance has already been made available in the form of X-ray records, laboratory reports, and medical records.

NEWSPAPER FRAGRANCE The aroma of this week's Citizen is to remind our readers of the "Orchids to You" sale now going on at Bryant's Market. The advertisement on page three tells the story.

An injury-ridden Gould Academy ski team managed to cop a third place in the Maine interscholastic state championship meet, which was held last week end at Farmington.

Gould, competing without the services of Melvin Jodrey and Bill Ide, finished a very slim 16/100 of a point above Rumford to capture third place. David Fox and Bill Anderson finished ninth and tenth respectively in the cross-country event. Gerry Smith topped Gould's effort in the jump competition placing sixth.

The final score of the meet which saw Gould lose its state title to Farmington High School was:

Farmington 377.04
Edward Little 375.45
Gould 348.91
Rumford 348.73
Fryeburg 318.61
Mexico 299.73
Andover 288.52

The third place finish enables Gould to compete in the New England States interscholastic meet to be held this week end at Lyndonville, Vt. The eight man Gould team accompanied by Coach Paul Kelley left Gould at noon Thursday for Vermont to take part in the week end meet.

Until development of the oil industry after World War II, Saudi Arabia's chief source of revenue was the tax on pilgrims traveling to the holy cities of Mecca and Medina.

India owns 80 per cent of the world supply of mica, of which the U. S. imports the major portion. The deposits in India which are mainly in the Bihar State are considered to be the finest in the world because of their large size and the perfection of the crystal plates.

THE LEGISLATURE

—continued from page one—
no effort, in the meeting, to reach specific agreements or to exert pressure in any direction. "It's really a bull session between the parties," Muskie said.

Republicans and Democrats alike will transmit the opinions of the informal meetings back to the fellow legislators at party caucuses.

Hunting in Oxford County
North and southern sections of Oxford County would have different, overlapping deer hunting seasons under a bill filed by Sen. Norman K. Ferguson (R-Oxford). The county's season would be from Oct. 15 to Nov. 30 north of the Appalachian Trail; Nov. 5 to Dec. 5 south of the Trail.

Limit Gasoline Tax
On the premise that the federal government is taking in enough on gasoline taxes now, Rep. Guy Allen (R-Chelsea) says he will propose a memorial to Congress asking that no further federal levies be added to existing gas taxes. Allen admitted that his resolve wouldn't have much chance of passage, but hoped it "will point up this situation." The representative's feeling is that Uncle Sam is invading states' rights and should get out of the gasoline tax field and leave it to the states.

State Lottery
Although the sponsoring legislator had not identified himself at the close of the legislative week, there were prospects that a state lottery bill would be introduced under the description, "state revenue-raising pool." Main objective would be avoidance of an increase in the sales tax.

A three-man commission, under the proposed bill, would set the amount of prizes, not exceeding 50 percent of the net proceeds, and no single prize going above 10 percent of the sales. It was estimated that such a lottery would bring in "something like \$10-million." The bill would be patterned after a New Hampshire measure which has failed of passage for five years.

Go Slow on Presque Isle Closing.
Suggests Dr. Fisher
Northern Maine Sanatorium at Presque Isle is in no danger of immediate closing if the Legislature follows the advice given recently by Dr. Dean H. Fisher, Commissioner of Health and Welfare. Dr. Fisher advised the Appropriations Committee that moving the 30 patients at Presque Isle to the Central Maine Sanatorium would call for major repair and renovation of most of a closed building. Furthermore, closing Presque Isle would probably keep a few patients from needed hospitalization and might encourage Aroostook patients at Fairfield to end their hospital care prematurely, he said.

The Public Administration Service report proposed an immediate closing of Northern Maine Sanatorium. Reviewing that report, the Citizens Committee on State Government has proposed that the suspension be withheld for two years. This week, Dr. Fisher told the Appropriations Committee that if the daily cost per patient at Presque Isle could be held down to no more than 15 per cent above that at other sanatoria, the state could provide geographically convenient diagnostic and treatment services, retain a plant for future purposes and temporarily postpone capital construction "until we have a better idea of our long term needs."

Because Presque Isle has only half the number of patients estimated in preparing the budget request, Dr. Fisher suggested reducing the appropriation for the sanatorium by \$190,000 for the next biennium.

Civil Defense
The Civil Defense Law is revised in a bill introduced by Sen. Arthur H. Charles (R-Cumberland). Control of all local CD organizations would be given to the state director, with power to discharge local directors for cause. A full-time director or assistant would be required.

MESO PAID OVER \$7 MILLION TO UNEMPLOYED MAINE WORKERS LAST YEAR

The Maine Employment Security Commission, through its fourteen local offices, paid a grand total of \$7,150,861.30 to unemployed Maine workers during 1956—according to figures just released by the Commission.

The total figure includes \$6,478,337.30 paid in unemployment insurance to Maine workers while totally or partially unemployed; \$173,090.03 in interstate claims filed by unemployed workers residing in another State but whose wages were earned in Maine; \$435,655.00 in claims filed by Veterans under a Federal Act providing unemployment compensation for Veterans of the Korean War and \$83,779.00 under another Federal Act which provides unemployment compensation for civilian Federal employees.

A breakdown by counties shows the following amounts paid in unemployment insurance during 1956: Androscoggin, \$1,021,297.00; Aroostook, \$338,523.00; Cumberland, \$1,205,666.23; Franklin, \$67,099.00; Hancock, \$319,189.00; Kennebec,

quilled in each county and each city of 20,000 or more.

Higher Boarding Rate For State Wards

It is becoming increasingly difficult to find foster homes for state wards. The Health and Welfare Dept. therefore asks that the monthly boarding charge be raised from \$30 a month to \$10 a week, or approximately \$43 a month. Dr. Dean H. Fisher, Commissioner, told the Appropriations Committee that he felt the matter to be an urgent one, and noted that his department now has funds which might be used to pay an increased rate for the last quarter of this year. He said that some 1,200 foster parents now are taking care of state wards.

Teachers Colleges Needs
Maine teachers colleges need better facilities, broader curriculum, libraries and laboratories, as well as building and furniture, the Appropriations Committee learned from Education Commissioner Warren G. Hill. "There is nothing wrong with our teachers colleges that a good infusion of money wouldn't cure," Dr. Hill said. He added that getting national accreditation for the colleges is coming "into range."

Waterville received over \$300,000 and Lewiston and Portland each received over \$500,000.00.

At the end of 1955, the total amount available for unemployment benefits in Maine was \$42,637,345.70. Transactions made during 1956 resulted in \$45,540,229.28 being available at the close of business, December 31, 1956.

GRASS ROOTS OPINION

Lennox, S. D., Independent: "It is apparent, that while the Soil Bank program provides a certain type of 'insurance' to the farmers of America, participating in the various plans thus far make it equally evident that the farmer still is an individualist, adventurer and experimenter.... At any rate, the present farm program as we see it.... is in theory and final results a far better plan that over-production, expensive storage surplus and government payment for crops for which there is no adequate disposal plan."

SAFE, PORTABLE "FURNACE" DELIVERS LOW COST HEAT

... warms inside areas without vents. Heats workmen outside.

This is actually a portable forced-air furnace. It circulates warm air inside a room or building or does "spot" heating outside. It burns inexpensive kerosene or fuel oil so completely that it leaves no dangerous fumes, needs no vent, 110-115 volt current ignites the fuel and runs the blower. Safe, lightweight, effective. Costs only 12¢ per hour to run. If you need temporary heat, inside or out, here's your solution. Comes in 100,000, 150,000, and 400,000 BTU-per-hour capacities. Made by Master Vibrator Co., Dayton, Ohio. Ask for a free demonstration. Prices start \$215.00.

IN WINTER--BEWARE!

Short days, long nights, pile up traffic tragedies. Watch your winter driving!

BACK THE ATTACK ON TRAFFIC ACCIDENTS

Winter—with its slippery roads, its sudden changes in weather—is the most dangerous season of the year for motorists and pedestrians.

Over 40,000 men, women and children were killed in traffic accidents last year. Many in accidents caused by winter conditions.

Specially in winter—drive with care! And do this to help save your life:

- 1. Check your brakes—Use them carefully on slick roads.
- 2. Check your windshield wipers—Get new ones if they streak.
- 3. Check your headlights—Have them properly adjusted.
- 4. Check your tires—Have good tires and use tire chains when needed on snow or ice.
- 5. Check your speed—Observe speed limits and be extra careful of winter road conditions.
- 6. Check your distance—Stay well behind the car ahead.

Drive safely and courteously. Observe speed limits and warning signs.

Where traffic laws are obeyed, deaths go DOWN!

Insist on strict enforcement of all traffic laws. Traffic regulations work for you, not against you.

Where traffic laws are strictly enforced and obeyed, deaths go DOWN!

"Quit Your Skidding" tells what you can do to prevent winter traffic accidents. Write to: Dept. W, National Safety Council, 425 North Michigan Avenue, Chicago 11, Ill., for this free booklet.

Entrance to the hospital is through Foster residence front door, while the greater part of the hospital is located in the large one-story brick

structure at the rear.

The new hospital bears the name of the late Dr. and Mrs. C. A. Stephens of Norway whose large bequests will go toward its support. Rates of the new hospital are as follows:

Private rooms, \$17.50; Semi-private rooms, \$12.50; yard, \$11.00. Nursery—during mother's stay,

\$12.50; after mother's stay, \$5.00; premature, \$8.00; delivery room use, \$25.00.

Use of operating room—minor, \$15.00 to \$25.00; major, \$35.00 to \$50.00; anesthesia, \$10.00 to \$40.00. Children—infants to 2 months, \$4.00 a day; infants, 3 months to 1 year, \$6.00 a day; children, 1-6 years, \$10.00 a day; children, 7-13 years, \$11.00 a day.

FROM OUR FILES

10 YEARS AGO

Earl Boardman and Loren Andrews of Mattapoisett, Mass., were in Bethel with four trained hounds to seek out deer-killing bobcats. They found evidence of such slaughter but secured no cats.

Mrs. Viola Lutton was seriously injured when struck by a car on Main St., Lewiston.

Deaths: Mrs. Catherine Barker, Harry O. Bryant.

30 YEARS AGO
Philip S. Sayles of Gould Academy spoke at the meeting of the PTA. His subject was "Citizenship and its problems in the school curriculum."

Anton Eugene Malenke, instructor in instrumental music at Gould Academy, was engaged for similar work at Hebron Academy.

Deaths: Frank H. Ordway, Alice V. Holman, Mrs. Francis Lord, Mrs. George Waugh.

30 YEARS AGO
A snow plow from Shelburne, N. H., plowed the road from Gilead to Bethel. It was now possible to run an automobile between these places without much trouble.

C. F. Saunders lost his driving license through the ice at Howards Pond, Hanover.

Deaths: Mrs. Annie Tidwell, Mrs. Harriet Sanborn, George D. Williamson.

COOL WEEK

The past week has featured cool weather, with two mornings, Tuesday and Wednesday, well below zero. This Thursday is warmer. A quick snowstorm totaling four or five inches Saturday afternoon remains visible on the highways but caused little inconvenience. Present prospects are for a warm period.

Batteries seldom behave: A Red Admiral last necessarily a member of the Royal Navy. The Red Admiral is a beautiful butterfly found in temperate North America, Europe, northern Africa, and Asia. It has a wing expanse of

about two inches. The spread of the wings is black, with a broad white band on the upper wing and a white line on the lower wing.

Lay that pencil down! It isn't as official as a diagram or table if you are a sportsman. Consideration of the statistics that show are approximately 100 million wild birds in the world each year and that wild game hunting increases each year are said to about 10 million Americans. An additional 10 million increase are said to be necessary.

When you speak of statistics, usually you are not referring to long-winded statistical speeches. You probably are talking about statistical data which, if valued by you, is of great value to others. The statistical data which is of great value to others is of great value to others.
